

GREYHOUSE WINES

Award Winning Wines in the Napa Valley since 1997

Greyhouse Wines is a Napa valley based independent winery crafting world class wines inspired by old world winemaking which represents an incredible value.

The Greyhouse Wines portfolio was created by Richard Bruno & Chris Condos of Vinum Cellars in 2018 at the need for value-priced wines. The wines are all traceable to source and grown by some of the finest growers in California through long-term relationships.

All wines are made from grape to bottle. The wine style is 100% varietal. These are varietally correct, higher acidities, food friendly wines at affordable prices. Focus is on organically grown, sustainable and single vineyard wines.
