

GREYHOUSE WINES

CABERNET SAUVIGNON California, Central Coast

WINEENTHUSIAST

2020 SIERRA DEL MAR VINEYARD Cabernet Sauvignon, California

"This selection is for the classic cool-climate Cabernet Sauvignon drinker. Dark berries, herbal notes, and earth represent a different age of winemaking and a regional expression. The flavors on the palate are pretty generous, with Blackberry jam, cassis, tomato leaf, dried tarragon, and grippy tannins on the finish." – T.P
